

OLMSTED FALLS **BULLDOG YOUTH FOOTBALL**

The Olmsted Falls Bulldog Youth Football League is currently offering tackle football for Olmsted Falls residents in grades 3 through 6. Olmsted Falls is a member of the Little Southwest Conference. Other communities involved in the Conference include Avon, Avon Lake, Bay Village, Fairview Park, Lakewood, North Olmsted, Rocky River and Sheffield. These cities combined for 23 teams in our 5th and 6th grade division and 12 teams in our 3rd and 4th grade division last year.

The Olmsted Falls Bulldog Youth Football League successfully launched our 5th and 6th grade division two years ago. Last year, we were proud to suit up 65 players on three different teams. The kids learned to play the game of tackle football correctly and were very competitive. Most importantly, the kids had a great time; we look forward to seeing how these players develop in the coming years.

Last year we will be launched our 3rd and 4th grade divisions and had 35 players competing on two teams. It was great to see these little guys out there learning the game of tackle football at an early age. The kids learned the key fundamentals and techniques need in the game of tackle football and worked hard all season. A strong emphasis in our program is put on fundamentals, form and technique with this age group.

The Olmsted Falls Bulldog Youth Football League will provide a great opportunity for students in Olmsted Falls to learn and play the game of tackle football right here in our community. Practices will begin in early August and each team will play a 7 game schedule.

Teams will be made up of a combination of both 3rd and 4th graders and 5th and 6th graders. Roster levels will be kept at a minimum to ensure maximum coach/player ratios and ensure optimal instruction and playing time.

Registration will be open until April 30, 2015 at the Olmsted Community Center or on-line at WWW.OLMSTEDCC.COM
