(All registrations and fees must be received by Monday January 2nd, 2017)

All registrations must be submitted via OCC website. There are no walk-in registrations for 2017.

NOTE – Players registering after January 2nd are not guaranteed placement on a team and may be assessed a **\$25 late fee**. If, for any reason, you cannot pay the full fees at the time of registration, please contact the Olmsted Community Center to make special arrangements.

We do not want to have to turn away anyone from playing travel baseball and will make every effort to assign each player to a team, however rosters have limited space.
