

Looking for a fun, recreational activity for your child this summer?

Join us for our annual
Westview Swim Team Meet-the-Coaches and
In-person Registration Event
Sunday, April 29th 6:30-7:30 pm

At the Olmsted Community Center, 8170 Mapleway Drive

Coaches and parent representatives will be available to answer questions and provide information about the swim season. You can register your child, sign-up to volunteer at meets, order a swimsuit and spirit wear, and discover what the summer excitement is all about.

For over 40 years, WHOA (the Westview Home Owners Association) has had a swim team, part of the Southwest Swim League. The Westview Swim Team is open to children aged 4 to 18 who are residents of Olmsted Falls/Twp. and already know how to swim. We teach competitive swim strokes and compete in seven meets during the season. Our season runs from June 1 to July 21. Practices are held during the weekdays, mornings or late afternoon, weather permitting. Dual meets are held on Tuesdays and/or Thursdays; there are two Saturday meets (6/23 and 7/21). Detailed information and a season schedule will be provided at Meet-the-Coaches.

In addition to swimming we have other fun-filled events, such as Donut Fridays, Swim-A-Thon, Secret Swimmer, and an end of the season Awards Banquet and pool party. We emphasize participation, sportsmanship, teamwork, spirit and self-discipline. Many of our swimmers have gone on to swim competitively in high school and even college. Need more information? Please send an email to catherine.davis@sbcglobal.net or call/text (440) 759-3473.
