BACK AGAIN THIS YEAR!

Online Registration **starts January 1, 2019!** We as a league are working with the Olmsted Community Center to help inform our community and others moving into our community of the possibilities of playing baseball or slow-pitch softball in our area. Beginning January 1, you will be able to log onto the Community Center website (<http://olmstedcc.com>) and register your son or daughter to play ball! **Register on or before January 31st to earn a \$5 discount per player.**

Due to the new Lindsay's Law that went into effect in 2017 per Senate Bill 252, OCSL will have **online registration only**. This will allow you to sign off on Lindsay's Law and watch the necessary video to inform you and the participant you are registering about Sudden Cardiac Arrest in youth athletes.

VOLUNTEERS NEEDED

The OCSL currently needs a league rep for Girls Coach Pitch, Boys Intermediate and Minor. These positions will provide an incentive once certain criteria have been met. Please contact a board member for further details. Volunteers are what drives our organization to be successful and flourish. The OCSL will also need volunteers to act as head and assistant coaches for the upcoming 2019 season. If you are interested, you can mark the appropriate area on your child's registration.

In addition for the 2020 and outward seasons, our organization is actively searching for a Treasurer. We are looking for a candidate that has a business degree (preferably accounting or finance), previous treasury and/or budgeting experience and willing to dedicate and volunteer their time for a local non-profit youth baseball/softball organization. This role is an excellent opportunity to expand and strengthen their resume. If interested, please contact Jeremy Sherman at jjsherm33@gmail.com or cellphone number listed above for additional details.

MONTHLY MEETINGS

Check the OCSL website or Facebook page for meeting dates, times and locations. We welcome your suggestions and input on all topics and are always looking for volunteers. Please feel free to join us.
