- (2) **Intermediate** (plays occasionally)
- (3) **Advanced** (had lessons before)

Camp Information: Olmsted Community Center 5-day summer tennis camp provides young players the opportunity to improve their tennis game, make friends and have a lot of fun. Kids will be given a snack, but each player should bring plenty of their own cold water daily. This camp will improve tennis players' mental toughness, balance, movement, hand-eye coordination, and flexibility. Our camp instructor, Jen Kuntz, & assistants, have a passion for teaching, having fun, and a gift for helping kids build on their skills.
