

# FREE SCHOOL LUNCH PROGRAM

## UPDATE

We've made some changes to stay within the COVID-19 health and safety guidelines directed by Governor DeWine and to keep staff and volunteers safe while keeping this essential program operational.

Beginning Monday, March 23, we are moving from the Olmsted Community Center to Falls-Lenox School.

OFCS Food Service Staff and Transportation Department will provide the lunch prep and delivery of the lunches & food donations.

Falls- Lenox school and Olmsted Community Center remain closed to the public.

Non-perishable food donations may be dropped at the front doors of Falls-Lenox from 9:00am-11:30am Monday through Friday.

To sign STUDENTS up for lunch service please call the OCC Office at 440.427.1599 before 10AM to receive lunch that day.

**PLEASE stay SAFE & HEALTHY!**

## WANT TO DONATE?

Share items you may already have on hand or buy a few extras when you shop for your family. PLEASE do not go out just to buy food to donate.

Thanks to a partnership between Olmsted Community Center, Olmsted Falls City Schools and PTA volunteers, this plan was put into place to assist any students who may not be food secure during these mandated days off of school. Food is being provided through community donations as well as Olmsted Falls City School District Food Services.

**No paperwork or documentation of need is required.**

This is simply our amazing community coming together to help out those in our Bulldog Community who might be in need.
