Olmsted Hot Stove Baseball Registrations are open!

Register online at - www.olmstedcc.com

The Lorain County Hot Stove League is for players ages 6+ that typically have a higher degree of talent than players participating in a community recreational league. Although players do not have to be evaluated for these teams, the time commitment necessary is higher than that required in community recreational baseball. Hot Stove is not an instructional league. Players should possess a moderate knowledge of baseball rules and whose skills allow them to play at a moderate to high level of competitive baseball. The season begins around May 1 and ends around mid-July.

A typical season consists of 12 to 20 regular season games followed by a year end league tournament. Teams may also decide to participate in private tournaments.

We have great returning coaches and are always looking for more. You can indicate your willingness to volunteer with your child's sign up online. You can also make any special requests online. Teams may elect to practice during the winter months; however, team rosters are not finalized until all registrations are received and final team rosters are formulated by the OTBA - so please sign up as soon as possible! The registration deadline is Jan 31st. Signups may extend beyond that, but are based on roster availability and lose the \$25 pre-registration deadline discount.

Evaluations for other leagues that OTBA participates in (CVBA and Puritas) take place after the season ends in late July.

Any questions please reach out to andy.monyak@olmstedtravelbaseball.com
