MAYOR'S MESSAGE

A few weeks ago, during the "Breakfast with Teresa" event that my wife held at Jenkins Place, I saw some artwork that had been created by our seniors. We had expected to have a nice chat with seniors over the breakfast Teresa made, but we got to see some extraordinary talent, too.

While I know that we live in what some describe as "the most picturesque" town in our region and I see evidence of artistic inspiration from our waterfalls and landscapes, I was thrilled and surprised at the display of talent by our seniors right here at Jenkins Place.

From the watercolor paintings that our seniors created under the direction of artist Bernie D'Ettore and the colorful pencil drawings created in Barbara Richardson's (Emerald & Violet Studios) classes, I am amazed! I'm so glad that we have a great opportunity to encourage creativity and provide professional instruction to our senior community and I'm thrilled to see so many participating. I hope more people will join in and surprise themselves with their talent.

In the near future, we will create displays for senior's artwork in and around City Hall. I think it will be a great point of pride for our seniors and our whole community.

We recently launched our first Art Contest that I hope will become a highly anticipated and popular event in our City. Contestants can submit their work online through the City website and winners will have their works reproduced on greeting cards, postcards, t-shirts and other works. Proceeds will benefit our upcoming Main Street. I encourage everyone who considers themselves to be artistic to submit their work. I imagine we'll have a few winners from among our seniors!

OLDER AMERICANS MONTH

May 2018, Emphasizes that you are never too old (or young) to take part in activities that can enrich your physical, mental, and emotional well-being. It also celebrates the many ways in which older adults make a difference in our communities. Participating in activities that promote mental and physical wellness, offering your wisdom and experience to the next generation, seeking the mentorship of someone with more life experience than you—examples of what being engaged can mean. What is the Senior of the Month?

*"Getting to know you,
getting to know all about you."*

We want to get to know all of our seniors and help them get to know each other. You can volunteer, or suggest a friend. You will be interviewed by Annette and she will write up your story. You can read it before it's posted and make changes. To put a name with a face, we can either take your picture, or use a picture you have. Original pictures will be returned. Everyone who participates will receive a framed picture of the display and be included in a new Senior of the Month scrapbook coming soon! If you would like to be featured as a Senior of the Month, please contact Annette Towner, Sunshine Chairperson, or call Rachel O'Malley at Jenkins Place 440-427-2519.

Celebrating May Birthdays

Seniors who would like to participate can sign the Birthday List, which is kept in the Jenkins Place office, or call 440-427-2519.

TIPS FOR CHOOSING NUTRIENT-DENSE FOODS

Nutrient-dense foods have a lot of nutrients but relatively few calories. Look for foods that contain vitamins, minerals, complex carbohydrates, lean protein and healthy fats.

Select from a diverse range of the following categories for meals and snacks:

- Fruits and vegetables such as red, green or yellow peppers, broccoli or cauliflower florets, carrots, celery sticks, cucumbers, snap peas or whole radishes. Keep washed, cut and bagged vegetables handy for mid-afternoon snacks, lunch box additions or a quick nibble while waiting for dinner.
- Grains, especially whole grains.
- Low-fat or fat-free milk, cheese and yogurt are good options. Canned fish like salmon or sardines and calcium fortified tofu or soy beverages.
- Seafood, lean poultry and meats, beans, eggs and unsalted nuts.
- Limited amounts of solid fats. Consume less than 10 percent of calories from saturated fats. Keep trans fats as low as possible.
- Limited amounts of cholesterol, salt (sodium) and added sugars.

GREEN TIP OF THE MONTH - MAY – 2018

Kermit might not think that it is easy being green, but there are many small things we can do every day to make a big difference for our planet earth.

Start small by choosing one simple recycling idea like putting all junk mail, newspapers and magazines in one place to recycle. For free shredding of sensitive documents, attend the shredding events at Olmsted Falls City Administration Building at 26100 Bagley Rd. from 9 am until 12:00 noon on June 16 and September 15, 2018.

We will be putting Green Tips in the newsletter as space allows. If you have a Green Tip you would like to share, please contact Annette Towner, Sunshine Chairperson.
