

# Piano for Little Fingers Class!

(Ages 4 to 6)

Lead by Jessica Knoll, Music Therapist & Instructor

Come join us as we explore the **piano**, learn its **keys**, tap and move to **rhythms**, and play **music games**! If your child shows interest in the piano and music, try this 30-minute class to see if piano lessons might be a good fit! Parent participation required and access to a piano/keyboard outside of class is highly recommended to fully experience the program.
